

The Kinsmen Club of Sackville is proud to present the Student Tabs Collection Program, This unique and fun program encourages students to work as class teams in the collection of aluminum pop can tabs.

Classes can challenge one another to a friendly competition to see who can collect the most tabs.

The tabs collected are picked up by the Sackville Kinsmen Tabs For Wheelchairs representatives and taken to the local Enviro Depots for recycling.

The tabs are added to larger bins of tabs at the local Enviro Depots for recycling.

The funds raised through the Tabs for wheelchairs recycling program support the refurbishment and purchase of Wheelchairs , walkers, scooters and many different types of medical equipment and supplies.

The Tabs for Wheelchairs program then donates the medical equipment to people in need..

While the Sackville Kinsmen Tabs for Wheelchairs program makes donations to recipients in need throughout the Halifax Regional Municipality, we will donate equipment to those in need anywhere if the equipment is available.

The Sackville Kinsmen sent a large amount of equipment to Haiti to help those in need.

For more information on the Sackville Kinsmen Tabs for Wheelchairs Program email us at

Kinsmen Club of Sackville

Serving the Community's Greatest Need™ in Beaver Bank, Bedford, Fall River, Hammonds Plains, Sackville and Waverley since 1961.

Proud Sponsors:

**WIN A
TABS FOR WHEELCHAIRS
PIZZA PARTY
FOR YOUR CLASS!**

HOW TO WIN...

The class with the highest amount of weight in pop tabs

****WINS A PIZZA PARTY****

Sponsored by the Kinsmen Club of Sackville and Enviro Depots

In the case of a tie, we will ask the classes to write an essay on why you got involved in this contest. The winning essay will be the tie breaker to decide the winning class. Contest ends May 1st each year.

How to register your class:

Get your class involved by emailing your School Name, Teachers Name and the Class number to :

sackvillekinsmen@live.ca.
